Mr. Nelson/Mr. Kent:

Solomon Metals Corp. has not exported any spent Lead Acid Batteries during the year of 2014 and so far for the 1st 5 months of 2015.

We also do not for see us exporting any spent Lead Acid Batteries in the near future.

Kindly feel free to contact me if you need any additional information.

Thank You:

David:

Per your conversation with Jim Kent, as a non exporter you only need to tell us that your company did not export any spent lead acid batteries (SLABs) in 2014 and include the correct address of your company.

Thanks.
